The Wife Want a Chinchilla Coat?

If the One at Left Is Too Steep at \$12,-000, Try to Grow Your Own, All You Need Are: 300 Like the One at Right. By NRA Service

By NEA Service Pinchurst, N. C., April 9—NEA— The next time the wife sighs "Gee I'd like to have a chinchilla coat," don't anort impatiently. Raise one for the sai.

That's what J. W. Harbison did Except he grew found of his chinchilins and won't shaughter them for their down pells. So it seems unlikely that Mrz. Harbison, who helps him runs a chinchilin ranch here as a hobby, will ever get a home-grown coat. But for those who are more bru-

al about this fur cost bushness, erec's how you do it? You just how cree's how you do it? You just how cree's how you do it? You just how constring like should have constituted in the state of the constraint of the state of the cost o

probably will sell the offspring

Ohmehillas are natives of the high Andes, and do not readily take to the warm climate of Pinehurst. Harbleon tragically discovered this when he started his ranch in a lean-to against his garage. The first summer he installed fans which blew over cakes of ice, but lest a valuable animal just the same.

Now he has installed a section fan arrangement which changes the air every two minutes, and his irrod has increased steadily it what possibly is the southermost chinchila rance in this country. The original sowen pair have increased to 21, and a pair is some times worth a school superintance in a superintance of the country of the original pair sells for \$1300 pilus Chinchillas are todents, but usa-

Chinchillas are rodente, but us, a large product of the product litters of only a wire a year. They don't like when a mate dies, but get over They got daily batts in fuller earth (to keep their fur glossy and popularity are supposed new to die from old ngs. but only 'rodinense or in the cause of coats.

They sleep in the daytime, pla like squirrels at night, Mrs. Ohlnchilia rules the roost (she's big ger), and courtship is accompanie by hair-pulling, which makes ran chers pull their hair too, becaus it may endanger the pell.

It may enganger the pett.
Pavorite delicacy of these future fur coats is sunflower seet.
They cat all their waking hourchomping timothy hay, cabbase
carrots or fruit between meals of

No one knows where a capt chinchilla goes if he ecapes. To only one that got away for Chancher Marcison was found in morning, greatly perved a commodition of the outland of the commodition of the commodition of to be sure, and to lead the proportion of the commodition of the friend of the commodition of the friend of the commodition of the something with N.C. tattoed in something with N.C. tattoed in ear. It belongs to J.W. Marcison

High scale: The care weight one Live chinchillas are north \$8 as pound, the chinchilla 20 ounces. Weighing is a health check, also for breeding.

PAWNS AWAY

First five of the futly players etc. O. Wafe at Montreal are shown his attack on T. L. O'Neill's board who pitted help puwm against the just prior to the opining moves. Other three players, let be right referencies at stacks of Canadian Head down, Yanoiddy ponders: M are; P. O. Haty, dammed Menland Chees Champion Daniel A. Yanoid. W. Williams' bishop and knight, and Severia E. Jankov. The ex-ky and New Zealind aspart Robb. Walled Wafe (extreme witho) Danie Jorden was described to the contract of the contr

Foreign Flags over

TELL OF CANADA'S IMPORTANCE IN THE MODERN WORLD

20 years ago there was none...ten years ago only four . . . TODAY there are 24 Ambassadors, High Commissioners and Ministers representing their ents at Canada's capital. Striking evidence, that, of Canada's new place among modern nations?

We emerged from the war a far greater country than we ever were in pre-war days. Peacetime accomplishments are maintaining that new greatness today.

In the Midst of Palestine Strife, A New Village Is Born Peacefully

Welcome Committee: A friendry Capetown. South Africa, leader of , who is now studying at the Unity from a neighboring village the peaceful new community of Fair peaceful new Committee Committee

Pictures and Text
By LEO STOEKER
NEA Staff Correspondent

Masyanoth, Palestine (NEA)— I strife-ridden Palestine a new villag was born here—quite peacafully.

The night before, the Arabs in a tiny nearby village were alone on the quiet, mountain-ringed plain near the border junction of Paleskine, Lebanon and Syria, in Upper Callice.

had crossed the mountain and were streaming into the plain and were streaming into the plain Tractors followed trucks. More me and weenen poured into the plain. Item—only about 30 in all— woul stay; the rest would return to the homes when the village was finish homes when the village was finish

Before the sun had begun to hea the plain, the first foundation aton as had been laid, the first building were going up.

Despite the peacefulness of the plain, men began stringing a bar-

ed wire fence around the vinuse. The shartled Arabs from the marby village looked on in wonder,
then came to pay help sollie repects to offer cofee brewed over
a conn fire. The leaders of the

torig mought to drink coffee-work
to the success of the new community. The rest of the men and womkept working.

This is the story of Masyanoth In a larger sense it is the story of the expansion of the Zionist movement from its conters at Jerusales and Tel Aviv throughout Palestins

The land and the apring from which the village gol its name had been purchased some time before by the Jewith National Pund. Despite the apparent suddenness of its birth, Masyanoth had been conceived many years ago.

Mest of the "halutim" (ploneers who will live in Manyanoth ar Bouth Airlean ex-ervicemen. The rust are Palestinians and American The nucleus of the group was form ed during the war by men in the South Airlean elli Division, some times called the Ziben Div, durin the fighting in Egypt. They called themselves "Halutim Haylalim (Solider Phoneers.)

After the wars end and demobillastion, the members began dritting into Palestine to begin training at Kfar Oliadi, to study agriculture and to make their plans. In Kfar Giladi they prefabricated the barracks and other buildings they would need first at Masyanoth.

Men and women from Kfar Gilndl; ex-American Ols now students at the University of Jerusalem and members of Zionist Youth Groups Joined the caravans to hurry the

At last the turbes and surface.

"Are you all right, Ress?"

Fresh was returning to he with agonizing slowness. Some one was pressing rhythmically oi her ribs, in and out, in and out pealing returned to her body—be neath ber limp hands were themosth, white-painted boards o boards.

back, felt the pain of her brulsed shoulder and opened her eyes. "Stary Corbin!" "Almost literally in the flesh!"

you'ld stary, in a grad to a she was glad, she realised. Eve though Starp might be involve in all this himself, he looke wholesome, and civilized, as cheerful, and glad to see her. He grinned, "I'm not used! having memalds turn up in me own private swimming pool—if, quite a treat—you look just is! one, rou know."
"Goess I blacked out. I kno

one, you know."
"Guesa I blacked out. I know
how to swim, but it was all se
unexpected that I didn't have a
chance to get my breath." Shrubbed her shoulder tonderly an
winced.
Stary was beside her in an in
stant. "Sae, you're uping to have a

nice purple mark there in a fer hours. Hurt may place else?"
"No. It's just a bruiss, I guess," "Belle Fleur," Lotus repeate, elowly when Stary Corbin an nounced the name of the house "That has a pleasand coundwas it your idea!"

Was it your idea?"

He laughed. "Goodmess, no! I I look as though I'd pick a fan Franch tille like that? It we named in 1835 when it was built "It doesn't look that o! Slary."

"Oh. Dad had it completely a "Oh. Dad had

"Ob. Dad had it completely midred from cellar to attic. He a pair of architects come of from New York to do the job queer, sardonic grin lit his i "It got us in bad with the l element—they thought we should have employed someone from New Orleans who know the family history."

She turned to him in surprise.
"You mean you bought it directly from the family?"

"What do you mean?"
"Well, it was a perfectly legal
wainers deal, but they didn't
sem to take it that way. Tou see,
hey had just formed a company
o manufacture bagasse."
"Bagnese, What's that?"
"It's the residue of sugar cane.

"It's the receive of sugar case the fibrous part; they use it to make wallboard."

make wallboard."

sow, with a bousing boom on."
"It is, I don't know but what they not the best of the deal sites all. But we got Belle Fleur You see, Dad had a lot of people buy stock in the company, that he bought it from them at a

higher price, which gave him a controlling interest. When the ewaers found it out, they were pretty excited and willing to dealmost anything to recan control of their company. Of course a hurried impression of an expensively and insteally turnlebed home, completely restored is its former cleasure, from the marble manted of claused chaling to the fine details of carving on the selid cypress doors.

He opposed the door into a room

mantal of classic design to the fine dotals of carring on the solid cypress doors.

He opened the door into a room filled with a massive manegary four-poster and appropriate accultermonts for a lady's bedchamber.

"If you don't object to a shirt

"If you don't object to a shirt and slacks, I think I have an estant that may come near your size."
"Anything would near your size."
"Anything would near more approprise than this avoning you." She indicated the sequised sheath which still clung to her

tenacional?.

Stapy made an appreciative chirping sound.

"More appropriate, maybe, but not half so becoming, i'll be back in fifty seconds flat."

Stary knocked a moment later.

Sampel slocks, socks and a pair of sneakers. "They're only been worn ones," he explained. "But it was some of

Eddie started his new job today!

> increase his payroll. the whole thing up to the manager of his local bank. Together they take care of wages and other Then, with the backing of his bank he got to work on the order.

THE MANAGER of the furniture factory in Eddie's town landed a big order. It meant he had to buy a lot of extra lumber,

... And that's where Eddie came in. He was put on the payrolltrade. Right now he's on his way home to tell Mom and Dad ho much he likes his new job.
